

Busting Five Myths About Grad School

Why are you reluctant to go back to school to get your graduate degree? Because you've heard rumors about how long it takes to finish—that it takes up too much of your time, it's too expensive or you just don't think you can do it. None of these are true with Saint Peter's University. Let us prove it to you!

Myth #1 “I don't have the time.”

Busted. [Saint Peter's offers maximum convenience.](#)

With our 100% online, on-campus and hybrid formats, you can easily balance your studies with your busy schedule and family life. Best of all, you can complete some of our programs in as fast as 15 months. [Explore your program and the flexibility it offers here.](#)

Myth #2 “There are too many options.”

Busted. [Saint Peter's has the programs that fit your specific goals.](#)

We'll work with you to design an education around your unique interests. Choose from one of our degrees in the areas of business, cyber security, data science, education, nursing, public administration or strategic communication. Plus, if you're interested in one of our certificate programs, you can try your graduate degree before you commit.

Myth #3 “I don't think I can afford it.”

Busted. [Saint Peter's tuition is competitive.](#)

We offer a graduate education at a very competitive price, along with supportive financial guidance. Don't forget that many employers offer tuition reimbursement options, so be sure to check with your own HR department. Keep in mind that you'll receive a substantial return on your investment with a graduate degree, because on average, individuals with a master's degree earn nearly \$13,000 more annually than their peers with bachelor's degrees, according to Forbes Advisor.

Myth #4 “I'm just not made for graduate school.”

Busted. [Saint Peter's supports you at every step.](#)

Whether you've been working, raising a family, serving our country or simply living a full life, all of these experiences translate to the classroom and add value to what you study and discuss. Plus, from [dedicated faculty](#) to helpful staff and resources, you'll have a whole team of support behind you.

Myth #5 “The payoff isn't worth it.”

Busted. [Saint Peter's is designed for career advancers.](#)
